Best Practice:

Title of Practice: JV Mantra: Green, Clean & Happiness

Objectives:

The objectives of Green, Clean & Happiness practices are as follows:

1. **Environmental Sustainability:** To Promote Environmental Sustainability and to minimize the campus's ecological footprint, conserve natural resources, and protect local ecosystems.
2. **Community Engagement:** To Engage students, faculty, staff, and local communities to maintain a clean and green campus environment, fostering a sense of responsibility among all stakeholders.
3. **Health and Safety:** To Create a safe and healthy campus environment by reducing pollution and minimizing health risks associated with waste accumulation and environmental degradation.
4. **Educational Opportunities:** Provide opportunities for experiential learning and environmental education through hands-on participation in green initiatives and cleanliness drives, raising awareness about the importance of environmental stewardship and sustainable living.
5. **Beautification and Aesthetics:** Enhance the aesthetic appeal of the campus through landscaping, gardening, and beautification projects, creating inviting and inspiring spaces for learning, relaxation, and socialization.
6. **Sensitized towards community responsibilities:** To Foster a sense of pride and showcasing our commitment to environmental responsibility and cleanliness, University successfully sensitize campus and local communities for sustainable practices and community engagement activities.
7. **Cost Savings:** Reduce operational costs associated with waste management, landscaping, and maintenance by implementing sustainable practices that promote resource efficiency and waste reduction.
8. **Local and Global Impact:** Contribute to global efforts to address climate change and environmental degradation by demonstrating leadership in sustainable campus management practices and inspiring others to adopt similar initiatives in their own communities

India's First State Private Women's University

JAYOTI VIDYAPEETH WOMEN'S UNIVERSITY, JAIPUR

ज्योति विद्यापीठ महिला विश्वविद्यालय, जयपुर

Established by Govt. of Rajasthan through Act No. 17 of 2008 under section 2(f) & (12b) of the UGC Act, 1956
NAAC Accredited | UGC Approved | Recognized by Statutory Councils

Context:

Green initiatives, cleanliness drives, and promotion of Stress-free life are creative and problem-solving initiatives of the university since its inception which are not only aesthetically pleasing and environmentally sustainable but also conducive to the health, well-being, and academic success of all campus community & stakeholders.

With the Establishment of the University when it was completely a Barren land, the University had initiated Green, Clean and happiness Practices to sensitize student community for Environment Protection and Sustainability.

In the face of global environmental challenges, Jayoti Vidyapeeth Women's university has progressively recognized their role in promoting sustainability and driving positive change. Tree plantation transformed our university campus into a lush green campus. At Present more than 80% of the University area is covered with greenery including grass, trees, poly house and herbal garden with Ornamental Plants. Our campus community, fostering an environment of greenery, cleanliness, and stress-free learning is paramount to promoting the well-being and success of our students. Through a series of intentional practices and initiatives, we aim to create a campus that not only prioritizes academic excellence but also nurtures the holistic development of each individual.

Practice:

Green Initiatives: University has established lush gardens and green spaces across the campus, providing students with serene environments for relaxation, study, and contemplation. These areas serve as sanctuaries for connecting with nature, fostering a sense of peace and rejuvenation amidst the academic hustle and bustle.

Sustainable Landscaping: Our landscaping practices prioritize sustainability by using local plants, local water & local soil, implementing water-saving techniques and minimizing the use of chemical fertilizers and pesticides. By embracing eco-friendly landscaping, we reduce our environmental footprint and contribute to the preservation of local biodiversity.

- University lush green campus having variety of plants keeping us happy & healthy and making the environment free from air pollution.
- Plastic is completely banned in the entire University campus. Recycled Cloth bags are used by all students & staff members instead of Plastic bags.
- Limited use of Paper and If used, then it is recycled to make Handmade Paper for reuse.
- Mobiles are strictly prohibited in campus premises, including hostels. Use of Laptops & Computers are accessible in an authorized manner.

India's First State Private Women's University

JAYOTI VIDYAPEETH WOMEN'S UNIVERSITY, JAIPUR

ज्योति विद्यापीठ महिला विश्वविद्यालय, जयपुर

Established by Govt. of Rajasthan through Act No. 17 of 2008 under section 2(f) & (12b) of the UGC Act, 1956
NAAC Accredited | UGC Approved | Recognized by Statutory Councils

- Limited use of vehicles within the campus. The university has well maintained pedestrians' Friendly pathways covered with greenery and promotes the use of bicycles.
- All administrative offices work through ERP, online Portals and e- mails.
- The solar energy for streetlights & water heaters to generate hot water, saving costly electricity & use of gas.
- To minimize water and energy in laundries, the University have a Centralized Laundry system for washing clothes and ironing clothes of all students and staff. The rinse wastewater reused for irrigation and minimized electricity consumption.
- Garbage bins are installed in various areas to collect waste for recycling purpose under **the University Startup Punar Janam -Ready to Serve Again**
- Controlled flame burner are used in kitchen which provides Safety & LPG Savings and make environment pollution free.
- Use of wood boilers (made through recycling of waste) and gas generated from biogas in university mess (with NOC from Pollution Control Board) and less use of LPG in kitchen.
- A Unique plantation program has been initiated by university for 'planting of saplings' in University on the occasion of Birthday of any students/staff in University's established "My Birthday Garden" & "Herbal Garden" to promote green practices.
- On April 21, 2008, University has established, keeping this in mind, University celebrates "**JV-Mantra Green Clean Happiness " Monthly Celebration** Day on 21st of every month by conducting plantation drives, , cleanliness drives, Happy sessions and waste management activities.
- The University has also included Environmental Studies (EVS) as a compulsory university course since its inception 2008 to enhance Green Practices. Students are given classroom series and practical exposure related to green practices.

We empower students to take an active role in cultivating greenery on campus through student-led clubs fostering a deeper appreciation for nature and environmental stewardship.

JAYOTI VIDYAPEETH WOMEN'S UNIVERSITY, JAIPUR

ज्योति विद्यापीठ महिला विश्वविद्यालय, जयपुर

Established by Govt. of Rajasthan through Act No. 17 of 2008 under section 2(f) & (12b) of the UGC Act, 1956
NAAC Accredited | UGC Approved | Recognized by Statutory Councils

Clean Practice:

- **Cleanliness Drives :** Regular cleanliness drives and public awareness programmes are organized to engage students, faculty, and staff in maintaining the cleanliness of our campus and surrounding villages. These activities not only promote environmental responsibility but also foster a sense of pride and ownership in our shared campus community.
- **Waste Management Activities:** We are committed to reducing waste and promoting recycling through comprehensive programs that educate and empower the campus community. Recycling bins are strategically placed throughout campus. The students, staff practices to convert useless products into the useful product scientifically on recycling concept and create money-making projects & for healthy environment and encourages students to awareness about the importance of waste reduction and proper disposal practices and cleanliness drives. Our NSS, Scout Guide, Student Council and all other students under their CDA/UBA activities take part in cleanliness and waste management activities throughout the year .
- **Rainwater Harvesting:** All open grounds have a Rainwater Harvesting System which provide the proper solution from collection of water in tanks. Rainwater from the roof top is connected through pipes. From open areas water is moved by constructing slope structures towards tanks. In tanks rainwater is purified with the help of sand and it is directed towards the open well through Rainwater Harvesting structures. After filtration the water pours in the grounds for recharge the earth.

Environmental promotional activities

1. Tree planting initiatives of the University are the hallmark for environmental promotion in rural areas. In the Academic Session 2018-23 University has planted more than 10000 medicinal plants in Campus and in Nearby villages & schools to promote healthy living. Such plantation also focusses on restoring deforested or degraded landscapes in nearby rural areas and promoting greenery . By engaging university's students, faculty, and local communities, university gives its best efforts to create a sense of shared responsibility for environmental conservation among local community.
2. University conduct agriculture mentorship programmes to encourage and support sustainable agricultural practices in rural communities for which University provide training and resources to local farmers on organic farming techniques, crop rotation, and the use of environmentally friendly pesticides and fertilizers. These initiatives not only promote food security but also reduce the environmental impact of conventional farming practices.
University has granted financial Aid of 175000 /- under Unnat Bharat Abhiyan for implementation of villages development plan in the acadmeic year 202-21
3. By adopting nearby rural villages, University has succeeded in identifying their specific needs and challenges, University agriculture, medical students & staff members worked collaboratively to implement solutions that foster environmental sustainability, health and sanitation such as providing clean drinking water, sanitation facilities, and promoting organic farming practices. These programs empower local communities and create long-lasting positive impacts on both their well-being and the environment.
4. University Happiness Practice is evidence of transformative and sustainable growth of our students in versatile fields and play a crucial role in improving their emotional, physical, social and behavioral wellbeing by reducing stress and increasing happiness and performance.

NAAC Accredited | UGC Approved | Recognized by Statutory Councils

Problems Encountered and Resources Required:

1. The geographical conditions are not very favorable due to fluoridated water and infertile land which hinders the development of many green & clean initiatives.
2. Waste management is considered to be one of the most critical environmental challenges on a worldwide basis. Wastes, if not treated properly, are highly susceptible to fungal and bacterial growth, thereby leading to various diseases.
3. Maintenance cost of waste treatment plants such as STP, Paper recycling plant, Bio treatment plant etc. require monetary expenses.
4. We face problems of funds, infrastructure, certain equipments, and manpower in running or implementing some of the above-mentioned programmes.

ज्योति विद्यापीठ महिला विश्वविद्यालय में मनाया गया जे.वी.-मंत्रा सेलिब्रेशन डे!!
प्रत्येक माह की 21 तारीख को मनाया जाता है: जे.वी.-मंत्रा मंथली सेलिब्रेशन डे

ज्योति विद्यापीठ महिला विश्वविद्यालय ने पिछले माह 21 तारीख को एक अभिनव प्रयोग करते हुए जे.वी.-मंत्रा मंथली सेलिब्रेशन डे मनाने की परम्परा डाली थी। शुक्रवार को ज्योति विद्यापीठ महिला विश्वविद्यालय ने इस परंपरा को आगे बढ़ाते हुए पर्यावरण संरक्षण और संवर्धन हेतु संकल्प दोहराते हुए छात्राओं को नये पौधों के संरक्षण और संवर्धन की जिम्मेदारी सौंपी।

माननीया चैयरपर्सन जेवीएन विदुषी गर्ग जी ने ग्रीन सखियों को पौधे सौंपकर जे.वी. मंत्रा के उद्देश्य को आगे बढ़ाया। इस अवसर पर चैयरपर्सन मेम ने ग्रीन सखी बनी छात्राओं को जेवी मंत्रा के तीनों घटकों (ग्रीन, क्लीन एंड हैप्पीनेस) को याद दिलाते हुए ग्रीन, क्लीन और हैप्पीनेस को अपने जीवन में उतारने का संकल्प दिलाया। बता दें कि 21 अप्रिल, 2008 को विश्वविद्यालय का स्थापना दिवस होता है इसी को ध्यान में रखते हुए प्रत्येक माह की 21 तारीख को जेवी- मंत्रा मंथली सेलिब्रेशन डे मनाने की घोषणा की गई है।

जेवी-मंत्रा सेलिब्रेशन डे के दौरान विश्वविद्यालय के टीचिंग और नॉन टीचिंग स्टाफ के साथ-साथ विश्वविद्यालय की छात्राएं भी उपस्थित रहीं। जेवी-मंत्रा सेलिब्रेशन डे को सफल बनाने में जे.एस.आर टीम का योगदान उत्तरेखनी

EDUCATIONAL TRIP TO PATANJALI YOGPEETH

Faculty of Ayurvedic Science, Jayoti Vidyapeeth Women's University Jaipur organized an Educational Trip for BAMS Batch 2021 (II Year) at Patanjali Yogpeeth Haridwar, Uttarakhand from 22-23 December 2022

According to the norms of NCISM, the essential Educational tour of Dravyagun Vigyana and Rasa-Shastra departments was successfully conducted. The Purpose of the trip was the Exploration and Identification of Medicinal Plants as a Part of 2nd Prof BAMS Curriculum.

During their Visit to Patanjali Yogpeeth Haridwar, Students along with 2 Faculty members firstly visited the processing unit of Dant Kanti Tooth paste and the manufacturing branch of Patanjali cosmetics. Then they visited Patanjali's 10000 square feet medicine warehouse.

Thereafter they observed the medicinal plants and medicines prepared in the Divya Pharmacy, in which different types of Rasa Aushidhi and Bhasma preparing methods were seen. After that they visited the Central Lab of Patanjali Yogpeeth. The HOD introduced students about each and every section of the Laboratory and gave knowledge about the the significance of following the standards in different pharmaceutical practices.

During lunch hours in the canteen of Patanjali they observed that food offered and served was completely satvika diet.

On the second day, Experts of Patanjali research centre introduced them to the various medicines of the Herbal Garden and also shown the Nakshatra Vatika and rashi vriksh vatika. It was very insightful to know that the 900 species of Medicinal Plants are being used in the treatment of various ailments without any side effects. The beauty of Ayurveda could clearly be seen and felt. Throughout the complete tour they got nice cooperation from all the officers and employees of Patanjali yog- Peeth and Divya Pharmacy.

Such Educational Trips are very important for the intellectual growth of students. Practical experiences prepare and nurture the knowledge of student.

आज 22 जुलाई 2021 को विश्वविद्यालय के माननीय संस्थापक डॉ पंकज गर्ग सर की 48वीं जयंती के अवसर पर विश्वविद्यालय में 48 पौधों का रोपण किया गया। डॉ. पंकज गर्ग विश्वविद्यालय के संस्थापक एवं पूर्व सलाहकार थे, जिनकी सकारात्मक सोच और प्रोत्साहन के वजह से ही आज विश्वविद्यालय की हज़ारों छात्राओं के कई सपने साकार हुए हैं। और उन्होंने पूरे देश में विश्वविद्यालय की एक अलग पहचान बनाई। उनके जन्मदिन के उपलक्ष्य में विश्वविद्यालय के वर्तमान सलाहकार सम्माननीय श्री वेदांत गर्ग जी ने, विश्वविद्यालय के विभिन्न संकायों के डॉन / डायरेक्टर्स के साथ मिलकर विश्वविद्यालय के माय बर्थडे गार्डन (My Birthday Garden) और हर्बल गार्डन (Herbal Garden) में 48 पौधों का वृक्षारोपण किया। 48 में से 1 पौधे को विश्वविद्यालय प्रांगण के माय बर्थडे गार्डन में रोपा गया, माय बर्थडे गार्डन में विश्वविद्यालय के हर सदस्य के जन्मदिन पर एक पौधा रोपण किया जाता है। और बाकि 47 पौधों का रोपण हर्बल गार्डन में हुआ। इन औषधिक पौधों में तुलसी, नीम, गुलमोहर, मोगरा, गुठहल जैसे कई पौधे शामिल हैं।

इसके साथ ही विश्वविद्यालय के वर्तमान सलाहकार सम्माननीय श्री वेदांत गर्ग जी द्वारा महिला शिक्षा को बढ़ावा देने हेतु "डॉ पंकज गर्ग फिलान्थोपी" नाम से एक नयी पहल शुरू की गयी जिसके अंतर्गत विश्वविद्यालय स्टार्टअप "जेवी नारी शिक्षा" द्वारा प्रायोजित बालिका को ज्योति विद्यापीठ महिला विश्वविद्यालय जयपुर के सभी 17 संकायों द्वारा किसी भी व्यावसायिक कार्यक्रम में पूर्ण उच्च शिक्षा का पूरा खर्चा सौंपकर करने का निर्णय लिया है।

विश्वविद्यालय के सभी सदस्य आगे भी माननीय संस्थापक डॉ पंकज गर्ग सर की इसी विचारधारा को बरकरार रखने की पूरी कोशिश करते रहेंगे।

JV Mantra Day "Green- Clean- Happiness" 21 Aug 2023

The Jayoti Vidya Peeth Women's University's JV Mantra Day celebration, held every month on the 21st, serves as a powerful platform for fostering environmental consciousness among its students. The event, held at the Rekha Govil Seminar Hall, echoes the university's commitment to green, clean, and happiness. Through insightful messages delivered by the Prof (Dr).Shobha Lal Proctor and Dean of the Faculty of Education and Methodology's students are inspired to actively contribute to a healthier environment. By emphasizing themes such as tree planting and sustainable practices, students gain a deeper understanding of their role in preserving nature. Departments coordinators shared their thoughts powerful message for planting. Engaging activities like crafting posters and making pots from waste materials not only encourage creative expression but also instil practical knowledge about reducing waste. Overall, the JV Mantra Day celebration seamlessly integrates education, engagement, and action, cultivating a culture of environmental responsibility within the university community. let's embrace this mission with enthusiasm. Let's strive for a world where every day is an opportunity to protect and nurture the environment. Together, we can create a lasting impact and leave a legacy of a healthier, happier planet for generations to come.

Rainwater harvesting: All open grounds have Rainwater Harvesting Systems which provide the proper solution, from collection of water in tanks.

Rainwater from the roof top is connected through pipes. From open areas water it is moved by constructing slope structures towards tanks. In the tanks, the rainwater is purified with the help of sand, and it is directed towards the open well through Rainwater Harvesting structures. After filtration the water pours in the ground to recharge the earth.

Due to these efforts, it has been observed that the water level in open wells has increased significantly.

"JV Earth Recharge Pipes' are useful for pouring rainwater and earth water directly into the soil of those areas/earth where water is not diverted through constructed structure of rainwater harvesting or the University does not have sufficient budget for that purpose.

These Small pipes prepared from waste pipes from different works by the University night staff that prevent them from sleep during their duty hours and these prepared pipes are placed at various point of university campus and distributed in nearby villages and buried in the ground by the famers of nearby villages for water recharging purpose.

"JV Earth Recharge Pipe' also has a filter mechanism so that **filtered clean water can pour into the earth.**

Date: 22.2.2021 - #Innovation & #Entrepreneurship and Waste Management Activities @ Jvwu Jaipur

We are all inherently Curious that take us on the path of innovation. Innovations are something that every one strives for, more so an educational institution.

Today At the Jayoti Vidyapeeth Women's University, Jaipur, well known for experimenting in the field of education to bring out the best from its students, the University always encourages new ideas and exhort the students for the same under University Startup "Punar Janam (Ready to Serve Again) recognized by Startup India (Recognition ID: DIPP45237) to create Innovative money-making projects for the community/industry purpose & for healthy environment.

On the 21st of every month the University celebrates its Green Clean happiness Day "#JVMantraDay" to promote greenery, Cleanliness and stress free life for which University takes up various activities to encourage innovation & entrepreneurship spirit of the students and reward its students. This month "JV Mantra Day" theme was 'University Waste Tyre @PunarJanam'.

This month also Students were participated in the monthly actively conducted under '#StudentIEClub' Club. as many students were participated in the Innovative Activities and presented & demonstrated their innovative ideas on the theme 'University Waste Tyre @PunarJanam'.

Top 3 Team were rewarded with Instant 500/- Cash prize for their Unique innovative ideas on waste tyres and further they will be given Rs. 5000/- Seed money to take their innovation to the next level.

#JVnShilpaShree and #JVnUmmeHabiba, #JVnShrutiSoni of B.Sc MLT IV year students, #JVnRenuYadav, #JVnNikitaDeora and #JVnBhavyaKumari B.opt, BPT First Year students and #JVnRachna BHMS IV year won the #cashprize of 500/- . These students' innovation ranged from food containers for milch animals, Round sofa chair, dustbin, bookshelves, photo frames and coffee table from the waste tyres.

These activities not only encourage the students to think beyond books but also help them earn money.

Apart from this, to encourage the students to follow the '#JVmantra' by heart, the University buys the wastes from them under Waste management Activity. So they can sell even their fallen hairs at Rs five per gram. Every waste, be it left over clothes, electronic items, plastic or glass, is purchased by the University Startup. The students can give any kind of wastes- paper, plastic, hair waste, food, electronic, cloth, glassware, used books, foot wares, agricultural, animal, sanitary, biomedical, etc.

All students were participated enthusiastically in the monthly activity of #Wastemanagement And An Innovation & Entrepreneurship Activity. The Activity was successfully conducted under supervision of #JVnDrShobhaLal Proctor of the University, #JVnDrKhushubuVerma Assistant Professor Food Bio technology and #JVnSheetalSingh Assist Professor, Pharmacology.

After innovation is key to the development of the country, says the Hon'ble Founder and Advisor of University Dr. Panckaj Garg Ji. All the selected participants were given instant rewards.

Activity Theme: University Waste Tyer

Activity Timings: 4:00 Pm to 5:00 Pm

Venue: Innovation & Entrepreneurship Activity @ Incubation Centre, Third Floor, Academic Block II, and Waste Management Activity @ #UniversityWasteManagementCentre

Every bit of the waste in the University campus is collected, segregated and recycled on the concept of University Startup "Punar Janam (Ready to Serve Again)" that Provides a platform for the students, staff and officers to convert scientifically any useless product into useful product on recycling concept and create money-making projects by generating new products through recycling process for the community/industry purpose & for healthy environment. As University believes that, Everything that comes into material system should go back into it and reproduce in New Shape. Garbage bins are installed in entire University Campus.

Garbage bins are installed in various points of the University Campus to collect waste products on specified colored garbage bins for recycling under University Startup- "Punar Janam"

"Ready to Serve Again".

- Green: Paper Waste
- Yellow: Food Waste
- Black: Electronic Waste
- Pink: Cloth Waste
- Purple: Used books/foot wares
- Chrome Yellow: Glassware
- Red: Agriculture Waste
- Brown: Sewage Waste
- Orange: Plastic Waste
- Grey: Animal Waste
- Sky Blue: Hair Loss Waste
- Blue: Sanitary Waste
- Biomedical: Yellow, Red, Green, Blue

For Recycling Under University Startup Punar Janam- "Ready to Serve Again"

There are total 13 kind of university waste products at which 11 kind of waste products are being reused through recycle concept under University Startup "Punar Janam (Ready to serve again)" and remaining 1 Biomedical waste is collected by Govt. Agency. University has a MOU with authorized agency for the collection of biomedical waste that collects the waste on periodic intervals.

University Waste management:

- Plastic/Metal Waste:** Plastic and metal containers are collected from students and staff regularly. All the plastic/metal containers are collected from Academics and Hostels' specified dustbins and inserted in containers situated at various points at University campus. Collected pots are reused for plantation of plants and distributed to students' staff and nearby villages. Wastely Clay plants are distributed to the community as Immunity Booster. Plastic/ Metal containers are converted into "Prautha Patra" on the concept of "Prautha Isan Kares" even "Prautha Prautha Prauth Kares".
- Plastic Wrappers/Bags/Sanitary:** Plastic wrappers/Plastic bags are reshaped in Plastic made Bricks, Blocks & Pots through recycling process which are used by the students of Interior design discipline for making different kind of decorative items.
- Paper Waste:** Paper recycling plant is installed in University premises. Used/ Waste paper is recycled and handmade paper is made which is further used by the students for making charts, models Paper bags, Envelop etc.
- Cloth Waste:** The unused & waste clothes are reused by making eco friendly cloth bags by the University students of Fashion Design discipline & distributed in students, staff and University adopted villages to make them plastic free University/villages.
- Food Waste:** All the waste food & kitchen waste is collected per day. Unconsumed food collected in installed bins at mess and hotels is used in Biogas plant for the generation of Biogas which is utilized in mess for preparation of food. Raw food like fruits and vegetable peels are used for the creation of manure in manure bank.
- Electronics Waste:**
 - Damaged/obsolete electronic devices are displayed in museum for trouble shooting lab and also displayed in University Punar Janam Bagh so that Students & staff members can exhibit their innovative ideas, skills and potentials to reshape the waste items and transform them into new shape with their creativity.
 - Repairable items are donated for reused to needy students and nearby community.
 - University is also planning for the development of museum at nearby schools.
 - Rest of the waste is recycled.
- Glassware Waste:** All the damaged glassware are collected and stored in a structure near Biogas plant. These glassware are utilized by the students in handicrafts for making decorative items and also being used to mix in concrete for preparing upper layer of plastic waste bricks.

- Used Books/ Foot wares:** The students and staff members can deposit used books and their foot wares at University "Sera Dhan Patra" situated at Hostel Gate. These goods are donated for reuse to needy students and nearby community.
- Agriculture Waste:** All the agriculture waste in the form of dry leaves, stems and grasses is collected by the gardeners on daily basis. This is deposited in manure bank to create Organic manure.
- Sewage Water:** University have sewage Treatment Plant (STP) for the treatment of solid and liquid sewage waste. The resultant treated water is used for irrigation & landscaping of the campus. rest of the waste is used in manure bank. Treated water currently used for irrigating campus lawns and gardens and flushing the toilets.
- Animal Waste:** All the waste generated from animals like cow dung and urine is utilized mainly in Biogas plant and manure bank. Cow urine is used for preparation of medicines. Cow dung cakes are used as fuel during the preparation of medicines and also used in preparing of plastic waste bricks, handmade paper and "Dhopy Bat" a handmade woodchip item.
- Hair Loss Waste:** One common problem of girls is hair fall. Hence, University also practice hair loss Waste Management as it is scientifically proven that human hair can be used as a fertilizer for the plants. Separate garbage bins are placed at various points in university hostels for collection of damaged/fallen hair to provide nutrition to the plants.

All students are expected to think 'beyond the books' and share their innovative ideas with University Startup 'Punar Janam' Ready to Serve Again and perform to receive Grant of Rs. 500/- per idea.

C) Happiness Practices

The Jayoti Vidyapeeth Women's University is shaping the future of the girls, providing them with all kinds of facilities and platforms to achieve excellence in various fields. It gives systematic and structured training and organizes adequate activities for the students enrolled in the university. JYWU is known for transforming and empowering women who come from diverse backgrounds ranging from underprivileged to affluent.

The University is committed to providing quality education along with essential teaching, learning resources and facilities including libraries, laboratories, technology, and other learning resources.

Apart from this, University facilitates students through various academic, cultural, sports and social clubs/units which includes NSS (National Service Scheme) unit, Scout programs, Red Ribbon club, UBA, student council, different sports, and cultural club etc.

At JYWU, Students are always encouraged to take part in various activities conducted throughout the year for their holistic development.

Community Engagement:

Encouraging students to participate in NSS unit, Scout, Red Ribbon, UBA Cell etc. so that they can take part in community service activities to promote social responsibility and civic engagement.

Students voluntarily participate in social work, learn discipline, and receive training for social welfare. These Units/Club always joins hands with the state government, student council and works for publicity and awareness of many government policies and implements all community development activities at the grassroots level.

Leadership Development:

Providing opportunities for students to lead and organize activities within NSS units, Scout/Guide programs, Red Ribbon clubs, and student councils, fostering leadership skills. The student council organizes, monitors, and executes all programs within the campus.

Health Awareness:

Red Ribbon club raises awareness about prevention, treatment, precautions, and other health-related issues. I work as a volunteer for blood donation camps and conduct health awareness and free health checkup camps in surrounding villages.

Inclusivity and Diversity:

Creating a welcoming environment within student council and cultural clubs to celebrate diversity and promote cultural exchange. Interdisciplinary academic and cultural events are often organized, fostering inclusivity and cultural diversity on campus.

Sports and Recreation:

University is Offering a variety of sports clubs and facilities to promote physical fitness, teamwork, and stress relief among students.

Cultural Enrichment:

Supporting cultural clubs and events to celebrate different traditions, languages, and arts, fostering cultural appreciation, and understanding.

Skill Development:

Providing training and workshops through NSS units and Scout programs to develop practical skills such as first aid, disaster management, and leadership.

Student Welfare:

Empowering student councils to address student concerns, advocate for their rights, and collaborate with university administration to improve campus life.

Networking and Collaboration:

Facilitating collaboration between different clubs and units to organize joint events, projects, and initiatives, promoting interdisciplinary connections and teamwork.

Support Services:

Offering counseling, career services, and accommodation for students with disabilities.
