National Service Scheme

National Service Scheme (NSS) unit of Jayoti Vidyapeeth Women's University, Jaipur organized the celebration of "Rashtriya Ekta Diwas" (National Unity Day) on 31st October 2022. This day is observed as the Birth Anniversary of Sardar Vallabhbhai Patel who is popularly known as the Iron Man of India. He was first Home Minister and one of the founding fathers of the Republic of India. He was a great social leader who worked enormously for the integration of people to make India a united and independent nation. He united 565 princely states to give India her present identity.

Jayoti Vidyapeeth Women's University following the mandate organized various activities in the university premises in order to extend their heartfelt appreciation about the life and the involvement of the great leader, Sardar Patel, in the veritable contribution during the freedom struggle and to lay a foundation of a unified country fused with oneness. The idea was to infuse in the young future generation with values integrated with the knowledge and adoration about the country's rich heritage. To mark the celebration of the National Unity Day, an Oath ceremony was organized. JV'n Dr. Sapna Gehlot, NSS Programme Officer, administered the Ekta Diwas Oath ceremony and organized Debate competition and Quiz Programme to appreciate the contributions made by Sardar Vallabhbhai Patel to the society and humanity in general. At the end, University Officials flagged off the Unity Run. NSS cadets led by their commandant, the students and faculty members participated in the unity run. All the participants carried a spirited message for cohesive and unified India. Their loud chant for Quomi Ekta and Vande Mataram together boosted the morale of everyone who came across in their way giving a perfect tribute to the Iron man on his anniversary. The events organized the entire day were fun-filled, motivating for the students as it was a different experience for the students as well as the Faculty members.

On 18 November, 2022 Jayoti Vidyapeeth Women's University, Jaipur organized an industrial trip at Infosys, Jaipur for the final year students of Computer Science Department, Faculty of Education and Methodology with an aim to connect academics with industry requirement and accelerate the learning curve to equip the student to perform well once he is ready for placements.

Total 30 Students of final year visited the Infosys Campus. The visit started with a session by Mr. Manoj (Software Engineer at Infosys) where in the session, he first welcomed the students, then provided information about the history of Infosys that Infosys started in 1981 in Pune, Maharashtra. After presentation regarding history of Infosys, Mr. Manoj asked some question regarding presentation. He explained about the Springboard application/website of Infosys. Springboard is a learning platform for students where students can learn different courses for both professional and personal development free of cost. During presentation, Students had very good interactive session with Team Infosys. He further speaker explained students how to lead different sets of people once they become managers and advised students to know the grass roots level first by getting in the trenches and understanding the ground realities. After the session, refreshments were served to students. Later, the students were taken on an Infosys Campus tour where in the guide assigned explained about various departments and divisions in the campus, they also visited their fruit garden, solar plant, rainwater harvesting plant, waste water management technique and their food waste management plant etc.

Students enjoyed the knowledge full outing and thanked the Infosys Management for taking their precious time out in explaining them. Students specially thanked to University management & teachers to make this Industrial visit memorable to all.

ARTISTS INSPIRATION AT RAJASTHAN SCHOOL OF ART AND ICA ART GALLERY

Jayoti Vidyapeeth Women's University organized a visit to Rajasthan School of Art and ICA Art Gallery, Jaipur for Design & Fine Arts Students on 19 November, 2022. Getting the right kind of exposure in a student's life plays an important role in the development of their skills and knowledge. Whereas Art and painting is a medium that allows a person to express their emotions and imagination through colours. To understand this phenomenon Jayoti Vidyapeeth Women's University organized a visit to Rajasthan School of Art and ICA Art Gallery, Jaipur. Students of Fine arts and Fashion Design Department took part in it under the guidance of Mr. Jaideep Sharma, Mr. Rashid Khan and Ms. Anjali Pareek. Students had a chance to have one on one interaction with the artist and Professors to see how they make a print and painting. Live demonstration was given by Asst. Prof. Laxmikant Sharma, Faculty of Rajasthan School of Art. Whereas ICA art gallery had largest collection of art works from the artists all over India, Here students got to see artwork of Devki Nandan Sharma. Meanwhile Prof. Bhawani Shankar Sharma interacted with students and motivated them.

Learning different ways of using the tools from various artists gave a different insight to the students. Talking to them also gave them inspiration on how to get into the market and work in future.
