## Safety And Security For Every Daughter In Jvwu

safety and security is very impotence factor every daughter. For us, the safety and security of our students, is our top priority. Our strict mobile prohibition policy, high-security protocols, full-time CCTV surveillance, and 24x7 security at all checkpoints ensure that our students can learn and grow in a safe and secure environment. We are committed to continuously improving our safety infrastructure and protocols to ensure that our students are always protected. So here are our Unique Features which makes us the best residential women's university jaipur

The University is a pioneer in providing all types of programs and disciplines for girls under a single roof.

- The University's "Mobile Restricted, Disciplined Environment" ensures that students remain focused on their career goals and are not addicted to mobile phones. It also promotes moral education and helps students lead happier and healthier lives, thereby contributing to the betterment of the nation.
- The University provides round-the-clock security and safety for its students, with CCTV surveillance and women security guards to ensure their well-being.
- The University places a strong emphasis on the health and well-being of its students, encouraging them to engage in human interactions, recreation, and stress management.
