**University Success stories are direct reflection of Visionary ideology and Dynamic leadership of Late Dr. Panckaj Garg under which, University has achieved Worldwide Recognitions at various National & International Platforms and University being recognized as a unique entity for working on different segments of Education Field.**

**'Recognition to Woman Power'** Dr. Garg success can be counted in one way, as more than 80% of the key positions are handled and managed very efficiently by Women administrators since the inception of the University. The idea in his mind was that “A women's University should have a basic principle that to lead by a Woman not a man”; so he is serving the University as a Founder & Advisor of the University.

**'Identified as a Unique Entity'** by delivering a self-confident, skilled, disciplined, non addicted to mobile phone, human interactive & sensitive to moral character Woman to the Nation through inculcating University Mission Courses- as a Compulsory curriculum of the University namely, Women's Rights And Law, Self Defence, Help Aid, Yoga & Meditation, Gender Sensitization & My Behavior & Ethics.

**Community Development-** With a Vision & Mission "Education for Community Development Leading to Women Empowerment' he began to implement the efforts in nearby Rural Community through community development activities for mapping the need of nearby Rural Areas & Practical exposure of curricula.

**Village Adoption & Rural upliftment:** By Adopting 9 villages in University surrounding, he executed his dream Village Development Plan which serve Health, Education, Legal & Agriculture mentorship to each and every home & schools in nearby villages resulting in higher standard of living & sustainable

livelihood. With the establishment of Bank, Post Office, Hospitals, Community Radio Station & other basic amenities for general public marked for upliftment of nearby community.

**Employment Generation:** He implemented reservation policy in recruitment on all the posts since past 11 years. 60% posts are reserved for the reserved categories residing within 20 Kms of radius of University surrounding villages & 30% posts are reserved for Women, having Domicile in Rajasthan.

**Prevent Dropout Ratio:** To encourage local girl's aspirants for higher education and prevent dropouts, 25% intake is reserved in each program with maximum possible subsidized fee structure for local community so that maximum numbers of girls may get enrolled in professional & Technical Programs.

**Recognition of Local Identities:** His emphasis is on giving recognition to local identities of plants, food products, traditions, medicines etc. He strongly believes that geotagging of local identities should be done so that they could be identified and recognized by their place of origin. He has established "Local Research Resource Centre" to recognize Regional /Rural Technologies, Traditional Medicine & Therapies, Traditional customs & rituals for correlation & integration with ancient Indian literature and modern scientific techniques for Scholars and Academic tourists.

**Respected and Recognition to Past Research:** His ideology is "to respect and give recognition to past research, researchers & originators" in all the research work. He has implemented well defined Research Policy that gives due recognition to the originators in all research work by mentioning Acknowledgement to the originators, Correlating the research works with past research, Idea Originators, Using Traditional Symbols (like Swastika, Om etc.) and mentioning the reference of Ancient Indian literature in research writings.

**"The University will continue to move forward in the direction of Community Development leading to Women Empowerment and many more success stories will be marked in the history of the University."**

We All JVs will carry on your legacy forever Hon'ble Founder & Advisor Sir !
