

JAYOTI VIDYAPEETH WOMEN'S UNIVERSITY, JAIPUR

“बेटी बचाओ, बेटी पढ़ाओ”

Annual Report

2019-20

Message From Chairperson's Desk

It is my distinct honor to introduce you the Nation's First State Private Women's University. Since its inception in 2008, JV has grown to become India's flagship known for its education leading to community development, 24*7 security and initiations in women empowerment. The University is fully geared to help students shape their future and turn dreams into reality. The curriculum of all the programs ensures that students are exposed to the latest trends in the field of their discipline and aims at providing new avenues for students to carve their future. We not only aim at producing technocrats, doctors, designers, journalists, academicians, lawyers, scientists with professional competencies but also ethically conscious and socially responsible citizens with strong character that will be identified as our lasting legacy to the world beyond campus. I want to share my deep appreciation for our generous supporters, alumni, standing students, dedicated faculty, committed staff and the larger community that cares about the University and higher education for women.

JV'n Vidushi Garg

Hon'ble Chairperson

ACHIEVEMENTS OF THE YEAR

The Jayoti Vidyapeeth Women's University, Jaipur has been established and incorporated under the Act 17 of 2008 passed by Rajasthan State Legislature and notified by the Government of Rajasthan through its official Gazette Notification No. F.2 (23) Vidhi /2/2008 dated April 21, 2008. With 7 Faculties, 3 Directorates and more than 9200 students in the regular and distance

education mode, the University, in keeping with its traditions and development, has moved from strength to strength. This is reflected in the achievements and signposts established by the University during the past one year of reporting. Brief overviews of the noteworthy achievements of the year 2019-2020 are presented here.

The UGC ,Government of India approved 12 B Status of the University in view of its academic and administrative excellence. E governance

E-governance is given importance as majority of the administrative and academic work is done through ERP, e-mails and other sources with a view to become Digital University in future.

Students and parents can have access to information related to fees details, notices, attendance, and time table and give their feedback.

Online Admission Registration and conduction of Entrance Exam:

National and international aspirants can fill the registration form online at jvwu.ac.in. Conduction of JNEE for entrance for all the streams is also done online.

Online Feedback

Being India's First State Women's Private University, the main focus of the management is always to provide quality education and facilities required for overall development of the students. So it is important for the management to know the perception of students, parents, teachers, alumni and employers periodically about the services and facilities provided by the University. For this purpose stakeholders were instructed to fill an online feedback survey form on University's Portal and the respondents were ensured confidentiality. The responses obtained are compiled into a spreadsheet and further analyzed by the University Officers. The results are presented in graphical form in the report and annual feedback reports are displayed at University's website JV Anklan <https://jvaankalan.in/index.aspx>
