Message From *Chairperson's Desk*

It is my distinct honor to introduce you the Nation's First State Private Women's University. Since its inception in 2008, JV has grown to become India's flagship known for its education leading to community development, 24*7 security, and initiations in women empowerment. The University is fully geared to help students shape their future and turn dreams into reality. The curriculum of all the programs ensures that students are exposed to the latest trends in the field of their discipline and aims at providing new avenues for students to carve their future. We not only aim at producing technocrats, doctors, designers, journalists, academicians, lawyers, scientists with professional competencies but also ethically conscious and socially responsible citizens with strong character that will be identified as our lasting legacy to the world beyond campus. I want to share my deep appreciation for our generous supporters, alumni, standing students, dedicated faculty, committed staff and the larger community that cares about the University and higher education for women.

JV'n Mrs. Mithlesh Garg
Hon'ble Chairperson

Academic Activities

With the commencement of its academic Program, the University's academic calendar started buzzing with activities that included lectures and talks, besides field trips and other events.

Changes introduced as per the Feedback and Analysis:

Stakeholders suggested the inclusion of software in curriculum since new candidates face difficulty in understanding latest software and it takes time to become software friendly. Thus, the need of software inclusion is discerned by the Board of Studies, Board of Faculty & Academic Council and the syllabi of some programs were revised with supporting material like textbooks, etc., accordingly.

E governance

E-governance is given importance as majority of the administrative and academic work is done through ERP, e-mails, and other sources with a view to become Digital University in future. Students and parents can have access to information related to fees details, notices, attendance, and timetable and give their feedback.

Online Admission Registration and conduction of Entrance Exam:

National and international aspirants can fill the registration form online at jvwu.ac.in. Conduction of JNEE for entrance for all the streams is also done online.

Online Feedback

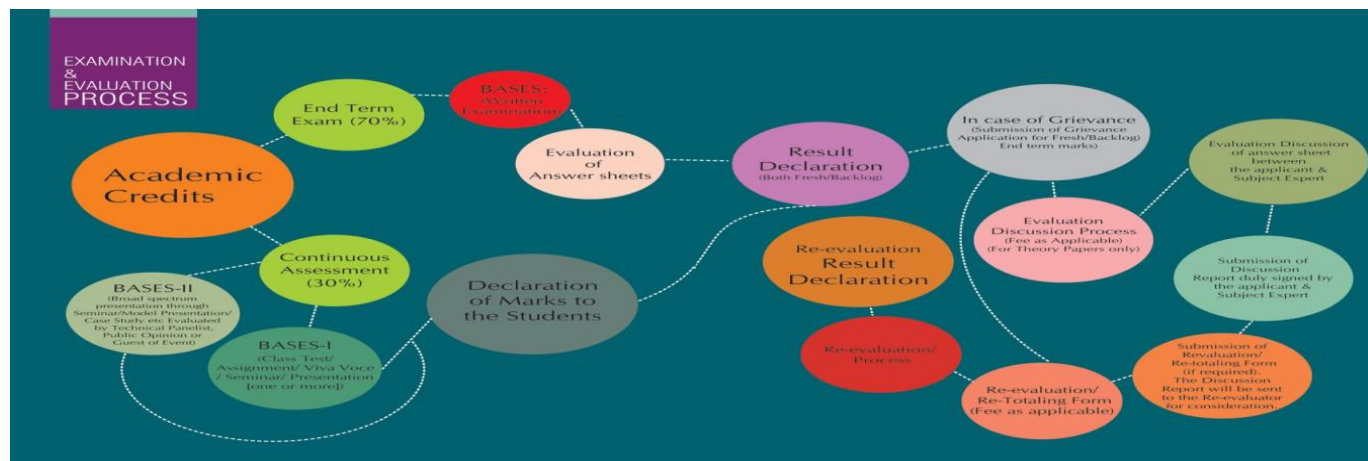

Being India's First State Women's Private University, the main focus of the management is always to provide quality education and facilities required for overall development of the students. So it is important for the management to know the perception of students, parents, teachers, alumni and employers periodically about the services and facilities provided by the University. For this purpose, stakeholders were instructed to fill an online feedback survey form on University's Portal and the respondents were ensured confidentiality. The responses obtained are compiled into a spread sheet and further analyzed by the University Officers. The results are presented in graphical form in the report and annual feedback reports are displayed at University's website.

Evaluation

The University awards Degree (s) with nomenclature as specified in 22(3) of the UGC Act 1956 & also Certificate(s), Diploma(s), Post Graduate Diploma(s) to Female Candidates enrolled in Regular Programs & to both Male & Female candidates in Distance Education Program and Research Programs of the University.
