

Jayoti Vidyapeeth Women's University, Jaipur

Action Taken Report 2023-24 Internal Quality Assurance Cell (IQAC)

In Pursuance of Internal Quality Assurance Cell (IQAC) meeting held on 29 March 2024, the following actions were taken by IQAC :

1. SSR Submission and DVV clarification

Action Taken: There are queries and clarifications raised by the Data Verification & Validation (DVV) team regarding the data mentioned in the SSR under each matrix. IQAC members formed internal committees and worked efficiently to submit clarifications/edit data/provide supporting documents and clarifications within the stipulated time to avoid delay in processing your SSR.

2. Teacher Training Programme for effective NEP 2020 implementation for 4 Year UG Programme under Computer Science, Management & Commerce Departments.

Action Taken- Faculty members encouraged to participate in National level Seminar, Conferences and workshop organized by different statutory councils and State/Central Government agencies to enable faculty members to gain insights into NEP 2020 policies and implementation strategies.

A seminar was organized on campus to provide an in-depth understanding of NEP 2020 guidelines. The seminar focused on effective teaching strategies for 4-year UG programs.

3. Collected, Analysed AND Action Taken Feedback reports of Stakeholders:

Action Taken:

Feedback was collected from students, teachers, alumni, parents, and local communities to assess the university's strengths, areas for improvement, and potential initiatives. A thorough analysis of the collective feedback was conducted, resulting in the preparation of the Annual Feedback Taken Report.

Major Initiatives Implemented in the Academic Session 2023-24 are as follows:

1. **Hostel Renovation:** Renovations were carried out to improve the **infrastructure and living conditions** in the hostels, ensuring a comfortable environment for students.
2. **Library Book Purchases and Lab Equipment:** New books and reference materials were purchased for the **library** to enrich academic resources. Some major **laboratory equipment** was acquired to support hands-on learning and practical knowledge in various disciplines such as Ayurveda and Naturopathy Education.
3. **Enhancing Student Learning Experiences:** Efforts were made to enhance the overall learning experience through on-campus and off-campus activities, including industrial visits, field trips, academic workshops and participation in exhibitions and Other Academic Events.
4. **Organizing Life Skills and Cultural Programs:**

Life Skills Programs were conducted to help students develop soft skills and prepare for professional challenges.

Cultural programs and extracurricular activities were organized to promote creativity, teamwork, and holistic development.
5. **Providing Research Support:** increased support was provided to **students, scholars, and faculty members** to engage in research activities. This included access to **research grants, resources, and mentorship** programs.

Outcomes

- The initiatives undertaken in response to the feedback have enhanced student satisfaction and improved academic and extracurricular opportunities.
- Faculty and scholars received better research support, fostering a stronger research ecosystem.
- The efforts have contributed to a better campus environment and holistic development of students.

Other Initiatives :
