Action Taken Report 2022-23 Internal Quality Assurance Cell (IQAC)

In pursuance of 14th Internal Quality Assurance Cell (IQAC) meeting held on July 24, 2023, the following actions were taken by IQAC:

- Quality Initiatives:** IQAC has taken initiatives to improve the infrastructural and other supportive facilities.
 - SOPs were prepared and Lab equipment was serviced or a little has been replaced.
 - New projectors were installed in lecture halls.
 - Computer labs were upgraded with new Latest technology enabled computer systems and Software.
 - Internet facilities were enhanced by installing new wi-fi connections in hostel buildings to better learning experience.
 - News books have been added in Libraries as per requirements.
 - Stakeholder's Feedback consolidation and Analysis
 - Upgradation of Infrastructural facilities such as Renovation of Academic Departments and Hostel Buildings.
- Implementation of Massive Open Online Course (MOOC) like SWAYAM at UG and PG level: Orientation Sessions were conducted for students and faculty members to familiarize hem with the MOOC platform and MOOCs courses were introduced in UG and PG programs after recommendation of BOS.
- New Multidisciplinary, Value-added, Certificate and Skill oriented courses have been introduced.
- Alumni members were appointed in BoS of respective departments and their suggestions have been considered in curriculum revision.
- For NAAC preparation:** Various committees are formed and approved by IQAC. IQAC constituted committees for effective submission of data for the second cycle of accreditation. These committees assigned work for presenting the necessary information and evidence required by NAAC for the accreditation process.
- Academic Timings have been reduced 1 Hour from Academic Session 2023-24 for focusing on Departmental preparation for NAAC.

Date: September 30, 2023
