

“बेटी बचाओ, बेटी पढ़ाओ”

Jayoti Vidyapeeth Women's University, Jaipur

Directorate of Research & Development **Research Information Bulletin-2022**

Directorate of Research & Development

The University has constituted a Directorate of Research & Development (DRD) for successfully conducting research and development activities.

Objectives

The main objectives of the Directorate of Research & Development DRD are as follows-

- 1 To conduct programs for all disciplines in the University.
- 2 To organize and conduct seminar, workshop, symposium and conferences at state/national/international level.
- 3 Development of all faculty members through training and research projects.
- 4 To help the faculty members in submitting the research projects/proposals to the various state and national level funding agencies.
- 5 Publication of research papers, books, chapters in books and review papers etc.
- 6 Professional grooming of the faculty members for the role of supervisors, editors, reviewers and experts.
- 7 To make provisions for research and consultancy and for that purpose to enter into such arrangements with other institutions or bodies as the University may deem necessary.

Categories of Research Scholars

1 Regular Research Scholar

Regular Research Scholar shall mean a student selected for program without any financial assistance and remains self financed throughout the program. The minimum duration of the program will be 3 years from the date of admission.
