## Students of Fashion Design, participated in GRADUATE FASHION FIESTA event held on 25th January 2023 at Birla Auditorium.

Fashion shows are important events in the fashion industry as they showcase the latest designs and trends to the public. JVWU motivated students of fashion design to participate in GRADUATE FASHION FIESTA which was held on 25th January 2023 at Birla Auditorium to showcase their creativity and for brands to connect with potential buyers.

There was a total of 8 collections that were presented by the students of the department to jury. Students were divided into 4 groups. The themes for each collection revolved around innovations, sustainability, and a tribute to Indian textile heritage. The jury critically judged each group in terms of their inspiration, design ideas and its scope in terms of their participation in the Fashion Show. Jury motivated the students and gave positive feedback so as to help them refine their collection. Judging was not limited to garments in terms of fashion.

From this Fashion show meet, which was highly inspirational, participants got to learn that how they can forecast trends and present line in trade shows or market survey to select fabrics and trims for creation of range of garments. It was an excellent platform where the individual talent of student designers was exposed, and students got an opportunity to show case their talent and to promote their creations.
