(57) Abstract :

JV IMMUNO MODULATOR KIT- A Homoeopathic Produce, is an unique and outstanding immunity booster product and effective healer that contains Ars. alb 6C 15%, Ferrum Phos 6C 15%, Rhodeola rosea 3C 4%, Ocimum sanctum 3C 4% and Glycirriza glabra 2C 4%, Tinospora cardifolia (Giloy) 2C 4% and Gentiana chirata 2C 4% as active ingredient and Distilled water 50% as base on the other hand an inhaler containing Eucalyptus glob. 2c 50% and distilled water 50% as inhaler spray to sanitize respiratory tract. Ars. alb 6C has been used as an broad spectrum anti-viral and protects the immune system in general from viraemia and also initiates healing by first intention whereas Ocimum Sanctum 3C is an effective old age/ancient anti-viral medicine made from Shyam Tulasi effective in viral diseases, on the other hand Glycirriza glabra 2C (Mulethi) is an age old remedy for invigorating the respiratory system against infections and congestion. Rhodiola rosea 3C, is an adaptogen which promotes good health, physical strength and mental endurance thus helps to boost resistance power against infections by conserving vital energy and preventing fatigue. 2C potency of dilution makes it dynamic homoeopathic medicine and turns it readily acting decongestant as well as has an action on immune system preventing any cytokine storm to develop and preventing any situation of multi organ failure which is cause of death even in healthy individuals sometimes and Tinospora cardifolia (Giloy) 2C is well known medicine to strengthen the immune system to fight against infections. Distilled water as base provides effective moisterization and carries water memory of homoeopathic dilutions to the affected system of the individual. Alcoholic base >40% alcohol in the product provides added capacity as preserver in the product for it<sup>TM</sup>s prolong storage in wake of prolonged Viral Epidemics and Pandemics. It can be used homeopathically and can be used frequently without any harmful effects.
