5.3.3: The institution conducts / organizes following activities:

Sports competitions/events

Apart from Academic Activities, Jayoti Vidyapeeth Women's University always encourages its students to participate in a variety of sports, cultural and other extracurricular activities as a compulsory part of their curriculum.

University has a wide range of facilities for students to engage in various activities. Adequate facilities for indoor and outdoor sports activities, such as a gymnasium, yoga & meditation sthal, Sangeet Shala (music hall), Arts & Craft labs, and open auditions for various cultural activities are essential resources of the University for providing a well-rounded and enriching overall experiences. These facilities are contributing significantly to the overall development of students by promoting their physical fitness, and cultural awareness. A qualified team of trainers for Music, Sports, Arts, Painting, Self Defense, Yoga & Meditation etc. have been appointed to look after these activities of the University that encourages the students to participate in various events and strives to interact with others for their academic and career support.

Outdoor Facilities: University has provided facilities for outdoor games like Basketball, Volleyball, Kho-Kho, Kabbadi, Cricket and Badminton etc. within the campus. Sports ground, athlete tracks, gardens, Bicycling track, and other recreational areas are well developed to provide opportunities for outdoor sports, physical fitness, and relaxation, which are essential for maintaining a healthy and balanced lifestyle.

Indoor Games/ Facilities: Indoor game facilities include indoor sports courts e.g., badminton, table tennis, chess, carrom etc.

Gymnasium: A well-equipped gymnasium for residential students and staff members promotes physical fitness and overall well-being among students. It allows them to engage in regular exercise, which can reduce stress, improve concentration, and enhance their overall health.

Yoga Center: Yoga is an excellent practice for mental and physical wellness. A dedicated yoga & Meditation Sthal at university premises provides a serene and focused environment for students to practice yoga and meditation, helping them manage stress and improve their mental clarity. A team of yoga experts have been appointed to provide yoga training to the students, Daily Morning Yoga sessions are conducted for all the residential students.

Sangeet Shala (Music Hall): A Sangeet Shala is vital and one of the most favorite places for students interested in music, dance, and other performing arts. It provides a suitable space for rehearsals, performances, and cultural events, fostering creativity and artistic expression.

Arts & Painting Lab: An Arts and Painting Lab is a specialized facility within a university to enhance the creative and artistic pursuits of students, particularly in the fields of visual arts, painting, and related disciplines. wide range of art activities are available for students to practice daily.

Cultural Activities: Cultural activities are essential for promoting diversity, inclusion, and a sense of community on campus. University conducts various cultural activities throughout the year in which students always take part enthusiastically. Cultural festivals, Dance performances, Academic activities, celebrations, exhibitions Annual Day function etc. are major cultural activities in the university which help students explore and celebrate various cultures and traditions.

Having these facilities on campus can also encourage students to explore new interests and hobbies, make new friends, and foster a sense of belonging within the university community. Additionally, these facilities can be instrumental in organizing events, workshops, and competitions that contribute to students' personal and professional growth.

University has sufficient spae for all cultural events organized at departmental and University level. The details of the same are as follows:
