**Yoga Center:** 

Yoga is an excellent practice for mental and physical wellness. A dedicated yoga & Meditation Sthal at university premises provides a serene and focused environment for students to practice yoga and meditation, helping them manage stress and improve their mental clarity. A team of yoga experts have been appointed to provide yoga training to the students, Daily Morning Yoga sessions are conducted for all the residential students.

Sangeet Shala (Music Hall):

A Sangeet Shala is vital and one of the most favorite places for students interested in music, dance, and other performing arts. It provides a suitable space for rehearsals, performances, and cultural events, fostering creativity and artistic expression.

**Arts & Painting Lab:** 

An Arts and Painting Lab is a specialized facility within a university to enhance the creative and artistic pursuits of students, particularly in the fields of visual arts, painting, and related disciplines. wide range of art activities are available for students to practice daily.

**Cultural Activities:** 

Cultural activities are essential for promoting diversity, inclusion, and a sense of community on campus. University conducts various cultural activities throughout the year in which students always take part enthusiastically. Cultural festivals, Dance performances, academic activities, celebrations, exhibitions Annual Day function etc. are major cultural activities in the university which help students explore and celebrate various cultures and traditions.

Having these facilities on campus can also encourage students to explore new interests and hobbies, make new friends, and foster a sense of belonging within the university community. Additionally, these facilities
