Jayoti Vidyapeeth Women's University organized an Academic Visit to Rajasthan High Court Jaipur for Law students on 14 September 2022

First Year Student of Faculty of Law & Governance Jayoti Vidyapeeth Women's University visited the Rajasthan High Court, Jaipur on 14 September 2022. The students were accompanied by Director Dr. Beena Diwan. The day started with a brief note given to the students about the court and court rooms by a practicing lawyer at High Court of Rajasthan. They guided all the students and dictated the Jurisdiction of the High Court Bench. They also visited bar council association and library of High Court. They also meet the President, Bar Council, High Court. As Court was celebrating Hindi diwas, so our law students also attended the function. Post observations of the proceedings of the High Court, students visited the Rajasthan State Legal Service Authority and had a fruitful interaction with Rajasthan State Legal Service Authority.

An academic visit of students of Faculty of Pharmaceutical Science was successfully conducted at "B. Laboratories. Pvt. Ltd." (A NABL Accredited - Leading Pharma Testing Unit of India) on 2nd December 2021 (Thursday).

B. Pharm(I & III Sem) students with their teachers visited B. Laboratories. Pvt. Ltd." (A NABL Accredited - Leading Pharma Testing Unit of India). The company was divided in three areas, Chemical Lab, Instrumentation Lab and Microbiological Lab. In chemical laboratory area, students learned about different evaluation parameters of dosage forms via dissolution apparatus, disintegration, pH meter, hot air oven and distillation assembly. In the Instrumentation Lab, students got an exposure of highly sophisticated instruments like HPLC, UV, FT-IR and Gas chromatography. The third area was Microbiology Lab in which they learnt about different culture medias, LAF, aseptic room and fumigation. This visit would be beneficial for the students to remember the studies in a better way and offer better opportunities for learning.

B. Pharm(I & III Sem) students with their teachers visited B. Laboratories. Pvt. Ltd." (A NABL Accredited - Leading Pharma Testing Unit of India). The company was divided in three areas, Chemical Lab, Instrumentation Lab and Microbiological Lab. In chemical laboratory area, students learned about different evaluation parameters of dosage forms via dissolution apparatus, disintegration, pH meter, hot air oven and distillation assembly. In the Instrumentation Lab, students got an exposure of highly sophisticated instruments like HPLC, UV, FT-IR and Gas chromatography. The third area was Microbiology Lab in which they learnt about different culture medias, LAF, aseptic room and fumigation. This visit would be beneficial for the students to remember the studies in a better way and offer better opportunities for learning. A laboratory is not a contest whose object is to get the right answer but the purpose is to learn how to gain knowledge, how to observe and to learn the meaning of what happens. When they observe various things and carry out different experiments, their reasoning skills are honed and they start thinking deeply on those theories and concepts.

The visit was useful for the students as they will get exposure of the functioning of drug testing unit and its different sections. Through the visit students gained practical knowledge of various drug testing techniques.
