- Provision for lift:** In our university, in multi stories buildings (Administrative, academic, Hostels) University has installed lifts to the students & n staff members an easy access of movement specifically it is more convenient for differently abled person for their movements inside the building.
- Ramps /Rails:** In various blocks of the University there are ramps for the mobility of differently abled which help them to work efficiently and effectively without any hindrance.
- Disabled-friendly washrooms:** University has designed Disabled-friendly washrooms in academic & hostel buildings for aiding the disabled person.
- Braille Software/facilities:** Braille translation software translates electronic documents into Braille code. From these files, a refreshable Braille display can present tactile Braille, or a Braille embosser can produce a hard copy on special paper. To provide this facility to Divyangjan University has Braille software in libraries.
- Rest Rooms:** To make differently abled person relaxed and efficient throughout their working day there are common/rest rooms in university as their life is more challenging.
- Provision for enquiry and information:** University has a dedicated department Communication Centre (CC) to provide necessary and important to the students and staff members. There is a provision of announcements, Written Human assistance, reader, scribe, soft copies of reading materials, screen reading, etc.
