Jayoti Vidyapeeth Women's University, Jaipur has the following Facilities for e-content development

- **Media center:** University Media Centre provides students with access to various resources and tools for educational purposes. Media Center is equipped with the necessary technology, including computers with high-performance specifications, high-speed internet access, multimedia software, and printing/scanning facilities. Consider providing both Windows and macOS systems to cater to different preferences.
- **Audio visual center Lecture:** Equipped with recording and live streaming capabilities to allow lectures and events to be recorded and broadcasted to remote students or for future reference.
- **Capturing System (LCS) Mixing equipment's and Software for editing:** A comprehensive Capturing System (Lecture Capture System or LCS) has been set up in university with mixing equipment and software such as Auto CAD, Photoshop, Coral Draw, Adobe Suit etc. for editing to enhance skill-based learning. This system will allow you to record, edit, and distribute high-quality educational content. Mixing equipments helps to manage audio inputs from various sources and balance them for a high-quality recording.

Above Resources of the University offers access to a wide range of multimedia resources, such as recording of video lectures, preparing promotional videos, e-books, academic journals, audiovisual materials, and interactive learning modules.
